

## Honoring Boulder Restaurants recognized by MICHELIN Guide

October 19, 2023

Established in 1900 by the Michelin brothers to encourage motorists to travel around France, the Michelin Guide is an iconic source for culinary recommendations, and inclusion in the guide a prestigious honor.

In 2023, several cities in Colorado were added to the more than 40 destinations around the world where specially trained Michelin inspectors assess restaurant quality. Nine Boulder restaurants have been selected for inclusion in the Michelin Guide. These nine Boulder restaurants represent a variety of cuisines and price ranges and reflect the city's award-winning food scene.

**Frasca Food and Wine** was awarded the distinction of One Star and **Sergi Kiefel and the front-of-house team** at Frasca received an Outstanding Service Award.

**Blackbelly Market** was awarded a Green Star for its commitment to sustainability and **Kelly Kawachi** of Blackbelly Market received a Young Chef/Culinary Professional Award.

**Bramble and Hare** was awarded a Green Star for its commitment to sustainability.

**Basta** received a Bib Gourmand award for offering refined cuisine at an affordable price.

**Boulder Dushanbe Tea House, Oak at Fourteenth, Santo, Stella's Cucina, and Zoe Ma Ma** received a Michelin Recommendation.

The City Council of the city of Boulder, Colorado extends our congratulations to these businesses for their achievements and gratitude for their contributions to our community.
